Report of the general meeting held on Wednesday, March 5, at the Red Front

In KL Carol's absence, 2nd VP Maryanne Gordon ran the meeting. (Several Lions, in addition to KL, cancelled at the last minute, complaining of flu-like symptoms.)

Lion Jerry announced that after the last *Rare Meat* came out, we got news of a KidSight screening in March. [See page 3]

Also announced: Saturday, March 29, is the next district cabinet meeting, in Johnstown. April 25-27 is the MD20 convention in Lake Placid, and July 4-8 is the Lions International Convention in Toronto, about as close as it's ever going to get to us. All Lions are encouraged to attend any or all of these. Info on the two conventions is on the district web site.

Our nominating committee, Lions Diane & Ruth, is putting together the slate of officers for next year, to be voted on at the April meeting. Anyone interested in any office should contact either one of them.

Dues notices will be in the mail before the end of the week. Please pay as soon as possible, but no later than June 25.

We discussed the auction that will replace the meeting on May 7. [See page 6]

Chris Small, Disaster Services Liaison from Stakeholders, spoke to us about their mission: To inspire and equip people to take action in their communities. They are one of 10 independent Regional Volunteer Centers in New York. Their programs include National Days of Service events, volunteer management resources, volunteer referral services, and training for capacity building. For us specifically: (a) they could get volunteers to help us with a project that we couldn't handle with just Lions; (b) they could find us opportunities to serve as a group; and (c) we could perhaps find additional Lions through their network.

Tail-twister Tom used his Snapple book of iced-tea-bottle-cap trivia, which proved to be as difficult as his "Big Book of Impossibly Hard Questions." Thus, he was able to raise about \$10 for the treasury.

"I can't stand it when nature throws us an April Fools joke!"

Report of the board meetings held on Wednesday, March 19, at the Route 7 Diner

Lion Jerry reported the results of the March 4 blood drive. [See page 3]

KL Carol reported on the zone meeting that was held on March 15; A&T attendees were Lions Carol, Laura and Jerry. The zone project will help NABA, and has two parts: (1) Have dinner at the Century House [See page for 4 details]. (2) Donate used cell phones (with batteries) to NABA, who will refurbish them for sale, sell them for scrap or use them for parts. As a zone project, this will end on June 30, but it is an ongoing program for NABA. It's probably better for us to participate in this, rather than just sending our used phones to Texas for money, which is what we've been doing. Lion Jerry will get together with Lion Michele O'Hare from NABA for more details.

We reviewed the slate of officers to be voted on at the next general meeting. We clarified that the nominating committee should be the Immediate Past President and preceding Past Pres, so next year it will be Lions Tom and Diane. [See page 3]

Because of our membership growth last year, Lions Clubs International sent us a nice banner patch, plus a commemorative pin for IPP Lion Tom. And for sponsoring a new member this year, KL Carol got a nice pin from LCI.

NABA is holding a Volunteer Recognition Breakfast from 9-10:30 AM on Thursday, April 24. All Lions who have worked on NABA projects like KidSight or the Low-Vision tech Fair are welcome. It will be held at the Albany Airport Observation Level 3. RSVP by 4/18 to Lion Jerry.

Sunday, May 4, is the annual membership meeting of the Sight Society/Lions Eye Bank with cocktails at noon and luncheon at 1 PM. Menu choices are Chicken Teriyaki, Sirloin Steak Sandwich or Grilled Salmon. It's at the Desmond, and it's \$25/person. If you're interested, contact Lion Joann Beach at 489-7606 or jbeach@lionseyebankalbany.org.

Lion Maryanne reported that since Jan 1, we have provided eyeglasses to 3 adults and 1 child from Albany County and 2 children from Rensselaer County.

Lion Jerry announced receipt of a \$150 seal-campaign donation, bringing total income to \$873. This is the first time since 2006 that income is below \$1000.

We received an application from a 25-yr-old man with pigmentary glaucoma. He has to pay \$1500/year out of pocket for his medical expenses before his insurance kicks in, and he's looking for some financial assistance. We voted to give him \$100.

For quite a few years, we have been presenting a Klingaman Citizenship Award of \$100 to graduating seniors from 14 high schools in our area. (The award is named after Lion Dave Klingaman, who died in 2005. The many donations that we received in his memory funded the initial awards.) Lion Paul raised the question of whether our current practice is the best way for us to spend \$1400/year. We discussed various ways of presenting fewer but larger stipends. We decided to continue what we have been doing for this year, and we appointed a committee comprising Lions Paul, Tom, Diane and Fran to consider the question and report back to the board with some other ideas.

We received thank-you notes from Vanderheyden for the gifts we provided last December, and from LCIF for our donation

Lion Sue Shipe is the founder and executive director of the International Institute for Human Empowerment. She spoke to us about getting involved with the "Celebrate Diversity!" program that she has developed for children and teens. There are quite a few ideas in the 125-page booklet she wrote, and we need some Lions to volunteer to work with her on coming up with a program that we can get involved in. If you have any interest in this, please contact Lion Sue (sshipe@nycap.rr.com or 377-6497) or KL Carol (cquantoc@nycap.rr.com or 664-3901).

They're \$5 each, and four flavors are available: solid milk chocolate (6.2 oz), white chocolate (6.2 oz), dark chocolate (3.5 oz) and no-sugar-added milk chocolate (3.5 oz). Each sale helps the Lions Eye Institute.

Blood drive

We sponsored a blood drive at the Hilton Garden In on Hoosick Street on March 4. Thanks to Lion Carl for donating, and to workers Lions Carl, Fran, Diane, Tom, Maryanne, Jerry and scheduler KL Carol. The Red Cross collected 18 donations, including 3 first-timers, enough to help 54 people.

KidSight

Lion Paul helped with a screening on March 11 at the New Scotland School in Albany. They screened 65 kids and flagged 1 as needing follow-up by an ophthalmologist. There are no screenings within our territory during April, but there are two nearby ones that Kathryn could use help with:

Tuesday, April 22, 9:30 AM - Bethlehem Child Care, Glenmont

Monday, April 28, 9:30 AM - Schenectady Jewish Community Center, 2565 Balltown Rd., Schenectady

If you can do one or both, please contact Lion Jerry at jerrygordon@juno.com or 235-8232.

We Serve

Zone Project

Part 1 of our zone project is very simple: Go to the Century House for dinner on Wednesday, April 9, between 5-9 PM and tell your waitress you're with the Lions. 10% of the tab will go to NABA, and for each meal ordered, a meal will be donated to the Regional Food Bank. Even non-Lions can partake of this deal, so bring your friends and family. (The Century House is at 997 New Loudon Rd (Route 9) in Latham, about 1.7 miles north of the Latham Circle. Call 785-0834 for reservations.)

Something we can sink our teeth into ...

"I am a Lion from the Melville Lions Club in MD-20S. I am also a Dentist and an active member of organized Dentistry. Across the country, Non-Governmental Organizations and State Dental Associations have been organizing free dental care clinics for those in need.

"This year the New York State Dental Foundation, in conjunction with the America's Dentists Care Foundation, is organizing a "Mission of Mercy" event at Hudson Valley Community College's Edward F. McDonough Sports Complex on June 13 and 14, 2014. We are expecting to treat over a 1,000 patients in those 2 days.

"We need volunteers to fill many positions including, but not limited to, setup and breakdown of the clinic, administrative, computer, supply, sterilization, escort and security.

"Across the country at all of these events, the local Lions Clubs are there giving a hand. We hope all of the members of District 20-Y2 will join us.

"Please go to <https://www.nysmom.org> for more information and to register to volunteer. Please call the Foundation with any questions at [\(518\) 465-0044](tel:5184650044) or email: nysdf@nysdental.org, and feel free to call me at [516-459-9258](tel:5164599258)

Abundant April

April seems to be a very fecund month for us. More A&T Lions were born in April than in any other month. And more became A&T Lions in April than in any other month. If anyone has an explanation for either of these phenomena, I'd love to hear it.

Happy Birthday!
