Report of the board meetings held on Wednesday, July 22, at the Route 7 Diner

IPKL Carol reported that the next 90th anniversary committee meeting is tomorrow (July 23) at Brown's Brewing in Troy. She distributed some proposed designs for a club pin and one was selected. We voted to proceed with this, assuming we can get 100 pins for something under \$300.

We discussed whether we should consider buying a vision screener. In pretty short order, we decided to just continue helping NABA with their program.

Lion Kathy reported that our speaker for September will be Robert Fox, OD.

Lion Elaine G announced that CEO will be looking for help with their backpack program around the end of August. [See page 2]

Lion Maryanne has one outstanding application for eyeglasses.

Lion Carol will be meeting with Lion Doug Davis this week to give him all the instruction and info he needs to take over her Hearing Chair position, including two pending applications.

We received a request for financial assistance from a young woman who's trying to continue her education to become an attorney. While she certainly seems to be deserving of support, the fact that she has no apparent vision or hearing problem puts her outside our typical aid criteria. Lion Jerry will refer her to Lion Elaine Gerwin, who has access to other funding sources.

In an email vote a few days after the board meeting, we approved spending \$150 on an ad in the program book for American Council of the Blind's upcoming "Dinner in the Dark." [See page 5]

Bringen Sie ein potenzielles Mitglied zu einem Treffen

If we keep repeating "Bring a potential member to a meeting," it will soon become old hat. So as part of your continuing education and to keep the thought fresh, we'll say it in a different language each month. This is German.

Our next meeting

We don't meet during the summer, so our next general membership meeting will be on Wednesday, September 2. But your board of directors never rests; the next board meeting is on Wednesday, August 19, at the Route 7 Diner at 6:00 PM. Only board members can vote, but all members are always welcome.

KidSight

Kathryn always appreciates our help with NABA's KidSight vision screenings. As soon as I get her August schedule, I'll send it out.

It's pretty simple and it rarely takes more than a couple of hours, usually starting at 9:30 a.m. Why not give one or two a try? Please let Lion Jerry know asap if you're available to help, and I'll get address details for you.

CEO Backpack Program

Every year, CEO distributes backpacks full of school supplies to needy children. They need our help to fill and distribute them. Lion Elaine Gerwin writes: "The Community Backpack Program is on August 24 - 27th at the Italian Community Center located at 1450 5th Avenue in Troy.

"Monday & Tuesday, August 24 & 25, are the sorting and packing days, where the backpacks are put together for each individual child.

"Wednesday & Thursday, August 26 & 27, are the actual days when the backpacks are distributed. The shifts are **9am - 12:30** and **12:30 - 4pm** all days. Lions will need to email (egerwin@ceoempowers.org) or call (272-6012 ext 302) Lion Elaine in order to sign up for a shift."

Please contact Elaine and sign up for a shift or two now.

Our 90th!

The Albany & Troy Lions Club and the Saratoga Springs Lions Club were both founded in 1925, and the clubs will be celebrating their 90th Anniversary together on Saturday, November 7, 2015. The event will be held at the historic Gideon Putnam Hotel in Saratoga State Park. We are honored to have Past International President Lion Al Brandel as our guest speaker.

We're still working on the details, but we expect the cost to be \$60 per person. This may seem a bit high, but it will be a very nice meal at a very nice place and a very significant occasion. Start putting your pennies away now and mark your calendar.

We're looking for memorabilia to include in a film loop that will run during the cocktail hour. If you've got any old photos, documents or anything else that might be of interest, please let us know.

What Have We Done?

If you're among the roughly half of our membership that we never (or rarely) see at meetings or activities, you might be wondering about the other half. Are they actively living our motto, "We Serve"? Judge for yourself:

Between July 1, 2014, and June 30, 2015, the Albany & Troy Lions Club:

- Collected **18000** pairs of used eyeglasses and **149** used hearing aids;
- Provided eyeglasses for **6 adults** and **5 children**;
- Provided hearing aids for **3** needy senior citizens;
- Helped an immigrant get cataract surgery at the Lions Eye Institute;
- For NEWS10's Coats for Kids campaign, we picked up **146** coats at various dry-cleaners and delivered them to central distribution points in Albany and Rensselaer counties;
- Sponsored **2** blood drives that collected enough to potentially save **87** lives;
- Helped NABA at **3 KidSight vision screenings**, where **103** pre-schoolers were tested and **10** were flagged with potentially serious eye problems;
- Contributed **86** used cell phones to NABA, where they are sorted by blind and legally blind individuals; some were refurbished and sold, and the rest were taken apart and recycled;
- Helped the Commission on Economic Opportunity (CEO) fill and distribute backpacks to elementary-schoolers;
- Assisted CEO with their annual program to distribute toys and gifts to needy children at Christmas;
- Participated in NABA's Low-Vision Technology Fair;
- Purchased an Alertmaster for a Hearing Conservation Society loan-out center;
- Donated \$200 worth of personal-care items to Joseph's House;
- Purchased **15** copies of *I See the World*, a print+Braille children's book, for donation to area libraries and elementary schools;
- Donated to NABA, Sight Society/Lions Eye Bank, Brandel-Murphy Youth Foundation, Hugh O'Brian Youth Leadership, VISIONS, LCIF, NYS & Bermuda Lions Foundation.

Just imagine how much more we could do and how many more we could serve if some of the "missing half" chose to re-commit themselves to Lionism. We're not asking for a 40-hour-per-week commitment; just show up at a meeting now and then, volunteer for an occasional activity, or better yet, bring us a new member.

On a personal note ...

Our deepest condolences go to Lions Tom and Diane Hart on the loss of Tom's brother Jim on July 14, and to Lion Mike O'Brien on the loss of his uncle, Dr Joe Sullivan, on July 15.
